The 22nd Konan Lounge Festival was Held

The Konan Lounge Festival was held on Feb. 12th at Himawari no Sato. Foreigners living in Yokohama spoke in Japanese in the morning part. Ms. Wang talked about the influence of Japanese animation to the Chinese young people. Mr. Merrit from America talked about the Japanese generals in the Warring Period. Ms. Yang and Ms. Feng from China gave a picture-story show which made by themselves. Ms. Mei from Mongolia talked about the K-POP idols and her high school life in Japan. The last is a Japanese play. The members from the Japanese language class of Konan Lounge played it. The story of Princess Kaguya was arranged in a modern way, and it was a nice and fun play.

Two young girls became cats and had an adventure on the Cat's Island

The old man found Princess Kaguya in the bamboo grove.

BOGO Cafe Christmas Party Report

On Dec. 18th, 17 people (young parents, little children and etc.) came to BOGO Cafe. Children started to dance and clap hands when music started. They cheered excitedly when they played the game which they could get presents. Accompanied by ukulele and guitar, people listened and sang Christmas songs. I think here it is a good chance to absorb the different culture while having a good time.
